SEWANEE WINS TRACK MEET FROM GEORGIA TECH, 49 TO 47

Leads by Margin of Two Points. Charlie Hammond Scores Fifteen Points and Wins the Day. Snow Storm Adds to the Novelty of the Occasion.

With a perfectly good excuse for not winning, the Tigers last Friday, April 25, met and defeated Georgia Tech's track team by a score of 49 to 47. To begin with, Scott, the rival of Hammond, was out of the running having been injured in practice. Then Deanborn failed to maintain his standard in the half mile and had to be supported by Coughlan in the quarter, the latter winning the race. Estes and Henry found it too much like skiing without skis to attempt to pole vault against a snow storm and had to give first place to Hyer of Tech. But this is not a hard-luck story for it came out all right in the end; it only shows what the team had to overcome. Captain Hobl of Tech shoved his right for that title by winning 11 points for his team.

The events resulted as follows:

- 100-yard Dash—Tech, first, Hyer; Sewanee, second, Estes.
- 220-yard Dash—Sewanee, first, Hammond; Tech, second, Coughlan.
- Half-mile Run—Tech, first, McClelland; Sewanee, second, Coughlan.
- Mile Run—Tech, first, McClelland; Sewanee, second, Coughlan.
- 120-yard (high) Hurdles—Sewanee, first, Hammond; Tech, second, Coughlan.
- 440-yard Run—Sewanee, first, Coughlan; Sewanee, second, Dearborn.
- Pole Vault—Tech, first, Hyer; Sewanee, second, Estes.
- Broad Jump—Sewanee, first, Hammond; Tech, second, Scardboro.
- Shot Put—Sewanee, first, Guerry; Tech, second, Vandergraff.
- Discus Throw—Tech, first, Guerry; Sewanee, second, Dearborn.
- Mile Run—Tech, first, McCardy; Sewanee, second, Coughlan.
- 100-yard Dash—Castle Heights, first, Vandergraft; Sewanee, second, Estes.
- 220-yard Low Hurdles—Sewanee, first, Hyer.
- Shot Put—Castle Heights, first, Vandergraft; Sewanee, second, Coughlan.
- Discus Throw—Tech, first, Guerry; Sewanee, second, Dearborn.
- Half-mile Run—Tech, first, McClelland; Sewanee, second, Coughlan.
- 120-yard (high) Hurdles—Sewanee, first, Hammond; Tech, second, Coughlan.
- Mile Run—Tech, first, McCardy; Sewanee, second, Coughlan.
- Pole Vault—Tech, first, Hyer; Sewanee, second, Estes.
- Broad Jump—Sewanee, first, Hammond; Tech, second, Scardboro.
- Shot Put—Sewanee, first, Guerry; Tech, second, Vandergraff.
- Discus Throw—Tech, first, Guerry; Sewanee, second, Dearborn.
- Mile Run—Tech, first, McCardy; Sewanee, second, Coughlan.

Pole Vault—Tech, first, Hyer; Sewanee, second, Estes. Hammond took and held the lead from start to finish, winning fifteen points for himself and demonstrating that Sewanee has one of the best track teams in the South this year. All honor is due to the fellows who did so well in a snow and sleet with the temperature standing at 40 degrees or less.

Individual scores were Hammond, 15; Coughlan, 13; Guerry, 5; Bowron 4; Dearborn, Woolwine, Estes and Hancker, 3 each.

EASTER FESTIVITIES MARK END OF LENT

Begin with A. T. O. Reception on Monday and End With University German on Wednesday Night. All the Dances Were a Success.

Last week all kinds of things happened from an examination on Monday morning to a prep school track meet on Saturday. The Easter festivities began as usual this year with the Alpha Tau Omega reception on Monday afternoon, April 21. At nine that night came the University German, which was led by Mr. Virgil Payne and Miss Lillian Warner of Nashville. Vito

Castle Heights Second and Cartersville Third. Tech High Carries Off Honors in Tennis, Declaration, and Debate. Vice-Chancellor Knight Presents Medals to Winners.

Sewanee's second annual intercholastic day meet was held last Saturday and proved a success in every way as an improvement over that of last year. After the snow storm of Friday it was indeed fortunate that the next day turned bright and clear for the track and tennis contests.

As on the day before, the Purple triumphed, but this time it was the Little Tigers who held the center of the stage. Their total points in the track meet were 39 as opposed to Castle Heights' 30 and Cartersville's 28.

Daves, of Cartersville, won the prize for making the most individual points. He took four firsts, winning 20 of his team's 28 points.

The tennis finals were won by Crints and Pritchett of Tech High and the former won the singles from the latter. Crints also won first place in the declamation finals that night, speaking "A Soldier of France." Second place went to Head of Winchester High who spoke "The Haywood Trial," and Bromden of S. M. A. took third place with "Cataline's Defiance."

The subject of the debate was: "Resolved, That the Mandatory Clause in the Constitution of the League of Nations should be struck out." Enriquc were made as individuals and not as teams, and either side of the question could be taken. As it happened all entries took the negative side. Stephens and Wesley of Tech High won first and second places respectively and Chan. Floyd of Castle Heights was awarded third prize.

Bishop Knight presented the medals to the winners of the different events after the finals in declamation and debate. Tech High spoke in behalf of the victors and expressed their appreciation for the second time at being the guest of the University.

The records of last year were excelled in the mile, shot put, and either side of the question could be taken. As it happened all entries took the negative side. Stephens and Wesley of Tech High won first and second places respectively and Chan. Floyd of Castle Heights was awarded third prize.

April 26 they were relieved and started for Paris; from there after turning in their cars and equipment, they were sent to the base camp, kept in quarantine for four days and entrained for Brest, where they boarded the President Grant. Thirteen days later they landed at Newport News, were sent to Camp Lee, then to Fort Ogilthorpe, where the section was discharged on April 17, 1919.

This story is not complete without mention of those men who did not participate in the whole history of the unit from beginning to end. There was not a single man killed in action, which is very fortunate and only one man lost his life. This was S. A. Arnold, who died of exposure in April, 1918, at Senantes, France. Three men left the Unit at Allentown in 1917, Patillo, Parsons and Smith, the last named transferring to the South Carolina Section.

Twelve men, Klose, Paget, Read, Head, Haines, Davis, Lohrey, Gordon, John Anderson, Victor B. Atkins, Caster, Hedges and Christy joined the section at Allentown. Paget went to England on August 17, 1918, on leave and never returned. Read was transferred to a tank corps in March 1918. Haines was transferred to another section immediately on arrival in France and was replaced by Nash.

The following were transferred to Paris: Grosse and Chapman, to the Postal Department, in January 1918, Hedge, Christy, Lewis and McGinnis in February 1919 to headquarters there. Marlin was reported gassed, sent to the hospital on November 5, 1918, and was sent home from headquarters at Paris in February 1919.

Four men, McMinis, Demeter, Wilhelm, and Oehring, joined the section in June 1918. McMinis broke his arm in October 1918, but returned to the section from the hospital in February. "Big Bill" Foster was transferred to the tank corps in March 1918. Lieutenant Theodore G. Croft.

Three members visited the Mountain last week, Clark, Con-

way and James Werners. They brought with them a purple and white flag which bears the divi-

sional citation of the croix de guerre with the white star. It is hoped that as many as possible of the members of the Unit will be here at commencement, at which time it is planned to present the flag of the Unit to the University in a formal ceremony.

Memorial Scholarship Endowment

Cards bearing the following have been distributed among the stud-

ents and residents of the Mountain during the week:

"As part of an Endowment fund for The University of the South, and as part of a special sum of $10,000, the income from which is to be used to endow a Memorial Scholarship in The University of the South, I promise to pay to The University of the South, a corpora-

tion, for the University of the South, a corpora-

tion, the sum of—dollars, pay-

able at the Nashville Trust Com-

pany, Nashville, Tenn., as follows: One-third—from date; one-

third one year from June 10, 1919, and the remaining third two years from June 10, 1919, with interest at the rates of six per cent per annum."

It is hoped that at least three thousand dollars will be raised among the students. Many are neglecting to turn in the cards as promptly as they should and a call has been issued urging every one to do so at once.
